

NGX Launching Alberta Emissions Offset Auction on September 15th, 2017

The NGX is pleased to announce that the first EnviroPath Alberta carbon market auction will take place on September 15th at 10:00am MT. A large block of compliance grade Alberta offsets will be available for purchase at this time.

EnviroPath is NGX's carbon market platform that facilitates simple, quick and cost effective spot transactions of Alberta based carbon offsets and Emissions Performance Credits. EnviroPath greatly simplifies the transaction process, reducing both time and cost associated with building a diversified compliance portfolio.

Details on the EnviroPath platform can be found at: [EnviroPath](#)

If you would like more information on the system, or to arrange a demonstration, please contact Andrew Hall at 403-974-1702
