Schedule “A”, Schedule “D”	NGX amended Schedule “A” and Schedule “D” to add spreads for U.S. physically settled power futures products and amend the fees relevant to same. For clarity, these amendments will not affect how these spreads are cleared; NGX will continue to clear these spreads as separate legs. The spreads, however, will appear on screen as set out in Schedule “D” and will also appear on the “Product List” in the “US Power” worksheet.
