

Changes to ICE NGX Data Subscription Model

October 19, 2018

ICE NGX would like to advise you of the following changes to data and subscription fees for parties to the ICE NGX Contracting Party Agreement (“Contracting Parties”).

Coming **January 1st, 2019**, and subject to regulatory notification, ICE NGX invoices will reflect the following NEW monthly data and subscription fees:

Canadian and U.S. Contracting Party (Subscription Fee per company)	\$1,500 USD
Affiliate Contracting Party (Subscription Fee per company)	\$750 USD
Data Access Fee (Data Access Fee per user)	\$125 USD ¹

Data Access Fees will be assessed based on the number of required users of ICE NGX pricing data and indices (“Data”) at the discretion of each Contracting Party. Such fees are not applicable to active Contracting Party traders and access to ICE NGX reports, excluding Data, will remain available at no additional cost.

ICE NGX will provide additional instructions to ensure that data access remains available for required users.

If you have any questions, please contact your ICE NGX Marketing representative, or call the ICE NGX Help Desk at 403-974-4357.

¹ Additional fees may apply for enhanced delivery services for data
