

Changes to NGX SYN (Syncrude) Markets

September 19th, 2014

Please be advised the effective Monday, September 22nd, 2014 NGX will be re-naming its SYN (Syncrude) crude oil markets to reflect the recent re-alignment within the physical crude markets.

All SYN (Syncrude) markets will now be re-named as SSP (Syncrude Sweet Premium) to align with the Enbridge Inc. Crude Oil Commodity Map.

Effected Markets:

- Crude Firm Phys SYN (Syncrude), ID, TMX1a, EDM-AOSPL
- Crude Firm Phys SYN (Syncrude), ID, WTI, EDM-AOSPL
- Crude Firm Phys SYN (Syncrude), ID, WTI, EDM-Enbridge Inline
- Crude Firm Phys SYN (Syncrude), ID, WTI, EDM-Enbridge Transfer
- Crude Firm Phys SYN (Syncrude), ID, WTI, EDM-Trans Mountain Pipeline
- Crude Firm Phys SYN (Syncrude), ID, BLX1a, EDM-AOSPL
- Crude Firm Phys SYN (Syncrude), ID, BLX1a, EDM-Enbridge Inline
