

NGX ANNOUNCES THE ADDITION OF Dominion NP, APC-ACE, and Waha.....

Effective for the trade date of July 28, 2014 Dominion NP, APC-ACE, and Waha will be NGX clearable points for NG Firm Phys: FP, BS LD1, ID GDD, and ID IF (NGI for APC-ACE). Please check to make sure you have clearing activated in the portfolio where you currently reference these points in ICE: right click on the portfolio, left click "select clearing accounts", and choose All NGX in the clearing account editor. By activating clearing you will be provided access to the broadest group of counterparties, facilitating increased liquidity. **Please note that market close times for the next day product will change from 11:30 am (CST) to 11:00 am (CST).**

NGX is pleased to offer these point additions and continues to expand its product list as the market dictates.
