Force Majeure at Alliance APC-CREC – Ended for Gas Day October 4, 2012

This is to notify you that NGX is lifting the Force Majeure declaration at Alliance APC-CREC effective gas day 10/05/2012. Therefore, existing contracting party obligations will no longer be under suspension and physical deliveries are expected to commence at 100% of contract requirement on gas day five. In addition, cleared products are open for trading effective trade day 10/04/2012.

Please contact your NGX Marketing Representative or NGX's Operations staff at 403-974-4357 with any questions.
