

## **Force Majeure Declaration due to Pipeline Rupture affecting Enbridge Westcoast Energy Inc. (“Spectra Hunt”)**

October 10, 2018

This is to notify all contracting parties (“Contracting Parties”) of ICE NGX Canada (“NGX”) that pursuant to Schedule F, Section 11(G) of the ICE NGX Contracting Party Agreement, ICE NGX has declared a force majeure event in effect for all natural gas transactions at Enbridge Westcoast Energy Inc. delivery point Spectra Hunt as of October 9, 2018 24:00 MST and may continue for several days thereafter.

ICE NGX determined that a force majeure event will be in effect at Enbridge Westcoast Energy Inc. point as a result of Enbridge Westcoast Energy Inc.’s notice regarding a pipeline rupture that occurred on the pipeline system operated by Enbridge Westcoast Energy Inc. This Force Majeure outage has been called by Enbridge Westcoast Energy Inc. due to a pipeline rupture on the T South system. Please refer to Enbridge Westcoast Energy Inc. notice [https://noms.wei-pipeline.com/notices/ci\\_notice.show?id=50881](https://noms.wei-pipeline.com/notices/ci_notice.show?id=50881).

ICE NGX has determined at this time that its force majeure declaration will reflect the **100% reduction** of supply and delivery obligations and duration as declared by the pipeline operator, Enbridge Westcoast Energy Inc., for **Gas Day October 11, 2018 and any subsequent days thereafter**. ICE NGX will promptly advise all Contracting Parties by way of a further notification of any update from Enbridge Westcoast Energy Inc.’s regarding the system outage and will advise Contracting Parties when the force majeure event is over.

The system outage declared by Enbridge Westcoast Energy Inc. at this time has resulted in a complete suspension of Contracting Party obligations relating to Spectra Hunt during the time period set out above.

In addition, no transactions in the Spectra Hunt products will be permitted by ICE NGX during the force majeure period.

**We continue to explore the impact on Gas Day October 10<sup>th</sup>, 2018, and will provide an update on delivery obligations for October 10<sup>th</sup> as updates become available.**

ICE NGX staff will be communicating with traders, credit or other appropriate contacts in your organization with further information, and updated notifications will also be available on ICE NGX’s website at [www.ngx.com](http://www.ngx.com). Please contact your ICE NGX Marketing Representative or ICE NGX’s Operations staff at 403-974-4357 with any questions.
