

Revised: Force Majeure Declaration Removed for August 7th at Alliance APC-CREC

September 17, 2015

This is to notify all contracting parties ("Contracting Parties") of Natural Gas Exchange Inc. ("NGX") that, pursuant to the terms of the NGX Contracting Party Agreement, NGX has **removed** the force majeure event in effect for all natural gas transactions at the Alliance Pipeline CREC location ("**Alliance CREC**") for Gas Day August 7, 2015.

NGX's original notice regarding this force majeure event can be found [here](#).

As per instructions received by NGX from Alliance Pipeline, there was no reduction to deliveries of NGX traded volumes at Alliance CREC on August 7th, 2015. Therefore all NGX cleared positions for delivery at Alliance CREC on Gas Day August 7th will be invoiced as per the original terms of the transaction.

Force majeure conditions will remain in effect for Gas Days August 8th thru August 12th, 2015.

Please contact your NGX Marketing Representative or NGX's Operations staff at 403-974-4357 with any questions.
