

Force Majeure Declaration at Henry Hub

September 15, 2008

This is to notify all contracting parties of NGX that pursuant to the terms of the NGX Contracting Party's Agreement, NGX has declared a force majeure event in effect for all natural gas transactions at Henry Hub ("Henry Hub Transactions") as of 9 p.m. Central Time (September 12, 2008) and remaining in effect until further notice.

Subject to further notification, NGX has determined at this time that its force majeure declaration will reflect the delivery obligations and duration as declared by the pipeline operator.

Sabine Hub Services notices on the delivery obligations are posted here;

The force majeure declaration at this time has resulted in a complete suspension of contracting party obligations relating to Henry Hub Transactions until further notice and Henry Hub products available through NGX will be halted until further notice.

NGX staff will be communicating with trader, credit or other appropriate contacts in your organization with further information, and updated notifications will also be available on NGX's website at ngx.com. Please contact your NGX Marketing Representative or NGX's Operations staff at 403-974-4357 with any questions.
