TMX Crude Indices 1a and 1b for Jan 18, 2012

Please be advised that the TMX Crude Indices for both the 1a and 1b indices are now correct in the Index Prices section of the NGX Trading Reports. However the Index Price Details Report is still incorrect. NGX is current working on the issue and notification will be sent when the report is correct. A list of trades that comprise the Indices is available in the NGX Trades Report or contact the NGX Crude Marketing Desk. NGX apologizes for any inconvenience this may have caused.

If you have any questions or concerns, please contact your NGX marketing representative or the NGX Help Desk at (403) 974-4357.
