Launch of Columbia “TCO” Pool on 11/7/08

We are pleased to announce our next location will be **Columbia’s TCO Appalachia Pool**. Cleared services for this location are scheduled to commence on **November 7, 2008**.

Cleared physicals provide an opportunity to obtain the best absolute price with the expansion of counterparties under fully anonymous trade cycles, all with the confidence of secured credit facilities. In addition, all transactions are firm and nominations are netted prior to scheduling, thus minimizing operational concerns. Cleared physicals represent a compelling value in today’s credit constrained markets.

For existing NGX Clients, additional information will be forthcoming that will enable you to leverage cleared services. For new clients, please contact us at the below referenced numbers in order to initiate your services by the launch date.
