February 9 Launch of new NGX Cleared Points

We are pleased to announce the following additions for February 9, 2009: **Columbia Gulf Mainline, Columbia Gulf Onshore and Tennessee 500.**

Cleared physicals provide an opportunity to obtain the best absolute price with the expansion of counterparties under fully anonymous trade cycles, all with the confidence of secured credit facilities. In addition, all transactions are firm and nominations are netted prior to scheduling, thus minimizing operational concerns. Cleared physicals represent a compelling value in today's credit constrained markets.

For existing NGX Clients, additional information will be forthcoming that will enable you to leverage cleared services for these new locations.
