

NGX & ICE ANNOUNCE THE ADDITION of Physical clearing at TCO-A04 Pool

Effective for the trade date of February 27, 2017 TCO-A04 Pool will be an NGX clearable point for the full “NG Firm Phys” product suite offered by ICE. Please check to make sure you have clearing activated in the portfolio where you currently reference this point in ICE: right click on the portfolio, left click “select clearing accounts”, and choose “All NGX” in the clearing account editor. By activating clearing you will be provided access to the broadest group of counterparties, facilitating increased liquidity. **Please note that market close times for the next day product will change from 1:00 pm (CST) to 12:30 pm (CST).**

NGX & ICE are pleased to offer these point additions and continue to expand its product list as the market dictates. **THANK YOU FOR YOUR BUSINESS!**

NGX is North America’s largest physical clearing organization with offices in Calgary, AB and Houston, TX. NGX is recognized as an exchange and clearing agency by the Alberta Securities Commission, as well as registered as both a Derivatives Clearing Organization (DCO) and a Foreign Board of Trade (FBOT) under the CFTC.
