

NGX Launches Mobile-Friendly Real-Time Price Indices

NGX is pleased to announce the launch of a new mobile-friendly webpage, developed to display the NGX natural gas and crude oil price indices on your mobile device. These indices will update in real-time based on trading done on the WebICE and Shorcan Trading platforms.

All **NGX Contracting Parties**, as well as subscribers to **NGX's Premium Viewing Service**, receive complimentary access to the new service with their current subscriptions.

To access the new pages, just direct your mobile browser to <https://secure.ngx.com/mobile> and logon using your current NGX Reports or Viewing ID and password. To subscribe to the NGX Viewing Services, more information can be found here: [NGX Viewing Services Sign-Up](#).

The following critical Canadian natural gas and crude oil price indices are available on the mobile service:

AB-NIT Same Day Index (2A)	Sweet (SW) 1A and 1b
