

## **ANNOUNCEMENT**

### **NGX Offers Spectra T-North Balancing (YD) Instrument**

Effective **September 17<sup>th</sup> 2007**, Natural Gas Exchange Inc. (NGX) will add the following new physical product:

- T-North Balancing (SP)

Please contact your NGX Marketing Representative or the NGX Help Desk at 403-974-4357 for further information or access to these new markets.

#### **NGX T-North Balancing**

---

NGX will offer a physical instrument at the Spectra Pipelines T-North Balancing market center, which can be used to balance previous day's account balances on the T-North Balancing market. NGX will offer the physical YD product only.

The new NGX T-North fixed YD instrument will appear on a market screen under the "T-North Balancing" tab. The new hub will be abbreviated "SP".
