

ANNOUNCEMENT

NGX Station #2 and Huntingdon Backstopping of Physical Transactions

This notice is a reminder that all transactions entered on the NGX Trading System for the NGX Station#2 and Huntingdon physical markets are considered firm.

All transactions are subject to the physical delivery and receipt obligations on the applicable gas day. All failures will be backstopped by NGX obtaining replacement supply or market gas the following gas day. Any difference between the original transaction price and backstopping price will be passed to the failing counterparty, along with any other potential costs or penalties. Please refer to section 5 of the NGX Contracting Parties Agreement for further information.

Please contact the NGX Operations Desk at 403-974-4357 or your NGX Marketing Representative with any questions or comments.
