

NGX Viewing Service - October 1st, 2012

NGX is pleased to announce the launch of a subscription-based service that will allow customers real-time access to proprietary NGX clearing data, including natural gas and crude oil indices and daily NGX price settlements for all markets.

Effective **October 1st, 2012**, customers are able to gain access to the NGX data with a choice of two levels of service options, based on their organizational needs.

	NGX Standard Viewing Service	NGX Premium Viewing Service
Daily Settlement Prices Access to over 20,000 daily price settlement marks for all NGX markets, including natural gas, crude oil and electricity		
Historical Settlement Access Access to the full historical NGX settlement database for all markets		
Daily product summary Summary of all NGX cleared products		
Real-Time Price Indices Access to live, real-time price indices showing up-to-the-minute trading averages for NGX natural gas, crude oil and electricity		
Historical Index Access Access to all historical NGX index data		

Monthly Index Report Monthly index summary reports showing in-depth charts and information on the NGX AB-NIT daily and prompt month indices		
Mobile Application Access to NGX Index mobile application (coming in Q1 2013) that will provide real-time index prices and tools on your mobile device		
# of Logon IDs	5 logon IDs available with each company subscription (\$100 per additional ID)	5 logon IDs available with each company subscription (\$150 per additional ID)
Monthly Cost	\$500 CAD/month	\$750 CAD/month

If you are not currently a customer of NGX, and would like to sign-up for a free preview of the NGX reports until October 1st, 2012 or subscribe to one of the service options, please contact the NGX Help Desk at 403-974-4357 or ops@ngx.com for further information.
