## PHYSICAL GAS TRADERS

### NEW PHYSICAL GAS MARKET TRANSCO-ZONE 6 STATION 210 POOL

Please be advised ICE will be launching a 'Transco-Z6 Sta-210' physical gas market. This new market will be available for trading starting on Monday July 11 and will be available as both bilateral and NGX cleared. This new market will be sourced to WebICE portfolios containing the corresponding 'Transco-Z6 (non-NY north ML)' physical gas markets.

The 'Transco-Z6 Sta-210' market will be defined as "Transcontinental Gas Pipe Line Corp. - Zone 6 Station 210 Pool".

The 'ID, GDD' instrument will price off the "Northeast, Transco, zone 6 non-N.Y. North" index in the Platts Gas Daily report. The 'ID, IF' instrument will price off the "Northeast, Transco, zone 6 non-N.Y. North" index in the Platts Inside Ferc's report.
