

December 17, 2013

Please be advised that CME Group/NYMEX has recently revised final settlement prices to Henry Hub affecting May and October 2013 invoices which have already been processed by NGX. As a result of CME's revisions, NGX will recalculate and make the appropriate adjustments to all affected invoices. These changes will be reflected on November 2013 invoices.

If you have any questions or concerns please call your NGX Marketing Representative or the NGX Help Desk at (403) 974-4357
