

## November 1, 2018 and Future Dated Products at Enbridge Westcoast Energy Inc. (“Spectra Hunt”)

October 17, 2018

The current force majeure condition at Spectra-Hunt will continue to be reviewed and announced on a day-by-day basis. In the meantime, ICE NGX continues to accept deals for Nov 1, 2018 and dates further out the curve. **These deals will have 100% receipt/delivery obligation as per the ICE NGX Contracting Parties Agreement.** Any deals transacted at Spectra-Hunt before the ICE NGX force majeure declaration on October 10<sup>th</sup> for Nov 1, 2018 and dates further out the curve will be applied the communicated reduction in receipt/delivery obligations, if a force majeure condition continues at that time.

ICE NGX has closed all balance of month trading for October at the Spectra-Hunt location at this time.

**Following the announcement of a force majeure, when running the Nomination Report on ICE NGX Reports, select ‘Include Force Majeure Adjustments’ on the right-hand side of the filter to see the percentage applied to existing delivery positions entered into prior to October 10th.**

ICE NGX staff will be communicating with traders, credit or other appropriate contacts in your organization with further information, and updated notifications will also be available on ICE NGX's website at [www.ngx.com](http://www.ngx.com). Please contact your ICE NGX Marketing Representative or ICE NGX's Operations staff at 403-974-4357 with any questions.
