Re: Natural Gas Exchange Inc. - Notification and self-certification of product changes

In accordance with Regulation 40.2, Natural Gas Exchange Inc. ("NGX") hereby submits amendments to the product schedule of its rulebook (the Contracting Party's Agreement or "CPA").

NGX has amended Schedule "D" of the CPA to reflect that it will add natural gas products for clearing in the coming months. The text of the Schedule "D" product schedule amendment is attached as Appendix "A", with revisions highlighted in blue.

Notice of this submission has been posted on the NGX website (www.ngx.com) under the "News and Notices" section. The amendments will become effective as of August 13, 2012. NGX participants will be advised of the amendments on or about August 2, 2012 via email notice and a further posting on the NGX website.

NGX hereby certifies that these amendments comply with the Commodity Exchange Act and the regulations thereunder. There were no substantive opposing views to the amendments.

Please do not hesitate to contact myself (403-974-1705) or our Chief Legal Counsel, Cheryl Graden (416-947-4359) for any further information the Commission or its staff may require in connection with this rule amendment.

Yours truly,
