

URGENT NOTICE

July 6th, 2018

Re: ICE NGX DRP Test July 27th, 2018

Please be advised that ICE NGX will be performing a disaster recovery test on July 27th 2018. ICE NGX services will be unavailable starting at 7:30pm on July 27th and be made available again at the disaster recovery site starting at 5AM on July 28th. No client changes are required for this test.

ICE NGX will resume normal operations at its primary site for July 29th

If you have any questions or concerns, please contact ICE NGX technical staff at it@ngx.com
