Re: System Constraint Period Ended at Intra-Alberta

NGX is ending the system constraint period (SCP) at all Intra-Alberta markets on NGX, effective Gas Day December 23rd, 2008. The SCP was in reference to the announcement by TransCanada Pipelines (TCPL) of an Alberta system tolerance change to 0/+4 for December 22nd, 2008. As the tolerance has now been returned to -4/+4, NGX has ended the system constraint period.

Please contact your NGX Marketing Representative or the NGX Operations Desk at 403-974-4357 with any questions or concerns.
