Re: System Constraint Period Ended at Intra-Alberta

NGX is ending the system constraint period (SCP) at all Intra-Alberta markets on NGX, effective Gas Day January 7th, 2009. The SCP was in reference to the announcement by TransCanada Pipelines (TCPL) of an Alberta system tolerance change for January 6th, 2009. As the tolerance has now been returned to -4/+4, NGX has ended the system constraint period.

Please contact your NGX Marketing Representative or the NGX Operations Desk at 403-974-4357 with any questions or concerns.
