

## **URGENT NOTICE**

**March 14<sup>th</sup>, 2007**

### ***Re: System Constraint Period Ended at Intra-Alberta***

NGX is ending the system constraint period (SCP) at all Intra-Alberta markets on NGX, effective Gas Day March 14<sup>th</sup>, 2007. The SCP was in reference to the announcement by TransCanada Pipelines (TCPL) of an Alberta system tolerance change to 0/+4 for March 13<sup>th</sup>, 2007. As the tolerance has now been returned to -4/+4, NGX has ended the system constraint period.

Please contact your NGX Marketing Representative or the NGX Operations Desk at 403-974-4357 with any questions or concerns.
