

URGENT NOTICE

May 17, 2018

Re: Millennium OFO

Millennium Pipeline Company, LLC (MPC) has issued an Operational Flow Order (OFO), which commenced on May 16th, 2018 and will remain in effect until further notice is provided by MPC. While this may result in delivery complications at the affected delivery point(s), please note that all ICE NGX transactions are subject to the terms and conditions of the ICE NGX Contracting Parties Agreement (CPA), including the consequences for a failure to deliver, take or pay for natural gas set out in Article 5 of the CPA. ICE NGX will continue to offer clearing services at the affected delivery point(s) for the duration of the OFO.

Please contact your ICE NGX Marketing representative or ICE NGX Market Operations if you require further information.
