### ***Re: System Constraint Period Ended at PG&E Citygate***

NGX is ending the system constraint period (SCP) at all PG&E Citygate markets cleared on NGX, effective **Gas Day April 3<sup>rd</sup>, 2008**. The SCP was in reference to the announcement by PG&E of a low inventory system-wide OFO for April 2<sup>nd</sup>, 2008. As the OFO has now been lifted, NGX has ended the system constraint period for any transactions cleared on April 3<sup>rd</sup>. Note that any failures on transactions flowing on April 2<sup>nd</sup> are still subject to the SCP penalties as outlined in Section 5 of the NGX Contracting Parties Agreement.

Please contact your NGX Marketing Representative or the NGX Operations Desk at 403-974-4357 with any questions or concerns.
