***Re: System Constraint Period Ended at Union Dawn***

NGX is ending the system constraint period (SCP) at all Union Dawn markets on NGX, effective Gas Day March 16, 2015. The SCP is in reference to the on-going yellow light status of storage withdrawals at Union Gas. As the status has now been returned to green, NGX has ended the system constraint period.

Please contact your NGX Marketing Representative or the NGX Operations Desk at 403-974-4357 with any questions or concerns.
