Force Majeure Update at Enbridge Westcoast Energy Inc. ("Spectra Hunt") - February 15th Gas Day

For **Gas Day February 15th** ICE NGX will continue the force majeure to reflect **8% reduction of supply and delivery obligations**. Existing positions will be reduced to reflect this, resulting in NGX clients needing to **make or take delivery of 92% of existing volumes for Gas Day February 15th**.

Trading for Gas Day **February 15th** for Spectra-Hunt is open until market close today at 3:00 PM MT. **Any transactions done during this window will be scheduled for 100% of volume, and regular delivery obligations under the ICE NGX CPA will apply.**

ICE NGX's force majeure declaration will continue to reflect the **8% reduction** of supply and delivery obligations and duration as declared by the pipeline operator, Enbridge Westcoast Energy Inc., for **Gas Day 14th 2019**.

When running the Nomination Report on ICE NGX Reports, select 'Include Force Majeure Adjustments' on the right-hand side of the filter to see the percentage applied to existing delivery positions entered into prior to October 10th.

ICE NGX staff will be communicating with traders, credit or other appropriate contacts in your organization with further information, and updated notifications will also be available on ICE NGX's website at www.ngx.com. Please contact your ICE NGX Marketing Representative or ICE NGX's Operations staff at 403-974-4357 with any questions.
