NGX Reports Update

NGX Reports will be **unavailable** on **Saturday October 31st** between **4:00 PM and 7:00 PM Mountain Time** for a Critical update.

The new version of the system will replace the Swap and Option invoices and related reports.

The Monthly Billing Reports menu will now include a single link for Physical Delivery Receipts, Physical Fee Summary, Swap Details and Swap Fee Summary, the Summary/Invoice Reports will now include a single link for all Physical and Swap invoices, and the Option Billing Reports menu will include a single link for Option Details and Option Invoices. Both currencies will be available once the report is accessed via the menu. The new reports invoice reports are available by selecting either Financial Swaps or Physical US Crude Oil from the drop-down list. The report will provide details for the invoice month and currency selected.

We apologize for any inconvenience.

If you have any questions or concerns please call your NGX Marketing Representative or the NGX help Desk at (403) 974-4357.
