Re: Launch of NGPL Midcontinent and Dominion-South on 10/3/08

We are pleased to announce our next two locations will be NGPL Midcontinent Pool and Dominion- South Pool. Cleared services for these locations are scheduled to commence on October 3, 2008. These two additions will bring our trading location count to eight Hubs since U.S. clearing was initiated in March. After the October launch, we anticipate promoting the following locations: Columbia TCO Appalachia Pool, Transco Station 65, MichCon and SOCAL Citygate.

Cleared physicals provide an opportunity to obtain the best absolute price with the expansion of counterparties under fully anonymous trade cycles, all with the confidence of secured credit facilities. In addition, all transactions are firm and nominations are netted prior to scheduling, thus minimizing operational concerns. For existing NGX Clients, additional information will be forthcoming that will enable you to leverage cleared services. For new clients, please contact us at the below referenced numbers in order to initiate your services by the launch date.

Please do not hesitate to contact your NGX Marketing representative for further information: Ken Skaer (210) 277-8666, Curt Lizzi (403) 974-1725, the NGX U.S. office at (281) 720-0525, or marketing@ngx.com.
