

# Urgent Notice

## NGX Website Changes

June 4, 2012

This notification is in regards to some important changes being made to the NGX website that will take effect starting June 16<sup>th</sup>, 2012.

At this time all current and historical Natural Gas and Crude Indices will only be made available through the 'Secure Area Login' portion of the website with an appropriate NGX CS Reports ID and Password. In addition, the Real Time Price Indices and the NGX Settlement Prices currently posted on the website will only be made available under the secure portion of the site with use of the same NGX CS Reports ID and password.

All that will remain under the 'Market Data/Indices' Tab on the website is the "5-Day Historical Settlement Prices" and the "Open Interest" links, everything else will only be made available in the secure portion of the website.

If you currently do not have an NGX CS Reports ID and password we strongly advise you speak to your respective NGX Company Administrator requesting an ID to access the secure portion of the website.

If you have any questions or concerns please contact the NGX Help Desk at 403-974-4357 or via email at [ops@ngx.com](mailto:ops@ngx.com)

Thanks,
