

Urgent Notice – Revised Spot Price Index at NGX Spectra Station #2 Day Ahead Index

There will be a change for the WKD number used as a proxy for the **NGX Spectra Station #2 Day Ahead Index** table, published on Pages 15 and 16 of the Canadian Gas Price Reporter.

The WKD number will be established as follows:

The **“F4 – Dec 28”** traded on Thursday December 27th, 2007 will be used as a proxy for December 28, 29, 30, and 31, and not the **“RM – Dec 28”** as stated in the previous revision. We apologize for any inconvenience.

If you have any questions or concerns, please contact your NGX marketing representative or the NGX Help Desk at (403) 974-4357.
