

WattEx launching on NGX TradePath

On July 7th, 2014, WattEx Ancillary Services markets will commence trading on the new NGX TradePath auction platform. Access to the current WattEx trading software will be unavailable as of this date. Clients will be able to access NGX TradePath via the NGX home page (www.ngx.com) or directly through wx.ngx.com.

All relevant WattEx information, including WattEx indices, invoicing, and FVEA information, will now be available via the NGX Reports and can be accessed using your NGX reporting ID and password. After July 4th, the current WattEx domain (www.watt-ex.com) will redirect to the new WattEx section of the NGX website.

If you have any questions, please contact the NGX help desk 403-974-4357.
